Transfer Rules
All investment options are priced once per day. Both the type of investment options and the time in which you submit your transaction will determine which day's "buy" and "sell" share prices will be used. **Transfer requests typically complete within 2 business days but may take up to 5 business days to complete. No additional liquidations will be allowed while funds are settling. Please review your request carefully as submitted transactions cannot be cancelled.** For more information on your specific transaction, please call our customer service team.

Days to complete request:
